

## RENEWAL OFFICIALS

Renewal officials may apply for one level higher than their completed registration level the previous season. Officials are allowed to take one season as unregistered or incomplete and return at the same level they were last completely registered at. Level 1 completely registered officials are allowed to take one season off and still be eligible for level 2 the following season. The level that each renewal official is eligible is designated on the pre-printed officiating application. An official may apply for a level lower than their eligible level. However, once the application has been received at the National Office, an official cannot change the level they had applied for.

### RETURNING OFFICIALS (AFTER 1 OR MORE SEASON(S) UNREGISTERED OR INCOMPLETELY REGISTERED)

We are always happy to have officials return to the USA Hockey Officiating Program after some time away from the program. Because of your past experience with our program you may be able to register at a level higher than Level 1, depending upon the level at which you were last registered. As a general rule, officials may take one season off (unregistered or incomplete) without forfeiting the current level status. If, however, an official is off (not registered or incomplete) for the previous two seasons, he/she must apply for registration one level lower (except Level 1) than that of the last season "completely registered." A level 4 officials who takes 3 or more seasons off will be required to return at level 2.

### LOCAL OFFICIATING PROGRAM SEMINAR ATTENDANCE

Attendance at a sanctioned USA Hockey Officials Seminar is required for all applicants, regardless of level. This seminar must consist of both classroom and ice time, conducted by USA Hockey Trained Instructors. At the seminar, every official and instructor in attendance must be sure to "sign in" on the official USA Hockey Seminar Attendance Form. This form will be returned to the National Office and attendance recorded in each official's record. Level 4 applicants must attend a level 4 specific seminar. There will be no opportunity to complete the level 2, level 3 or level 4 closed book testing except at the USA Hockey seminar you attend.

#### NOTE

To be eligible to officiate in any State, Regional or National Championships, an official must be completely registered on or before December 31 of the current season. Only level 4 officials will be eligible to referee National Championships.

### SCHEDULING OF GAMES

Registration with the USA Hockey Officiating Program does not guarantee any official any game assignments. Officials are responsible to obtain their own game assignments from local game schedulers as designated in each District.

Any game scheduler who assigns incompletely registered officials for games is subject to serious liability as he/she jeopardizes the insurance coverage of the officials and both teams involved. Whenever possible, only qualified officials should be assigned to games based on the above assignment guidelines. Updated listings of currently registered officials are available from the District Referee-in-Chief on a regular basis.

**USA HOCKEY  
OFFICIALS REGISTRATION PROGRAM**

**REGISTRATION SEASON**

The registration season for the Officiating Program begins on August 1 and ends on May 11 of the following year. USA Hockey officials registration is valid for the entire season in any district or state in the United States. Membership in a State or Local Officials Association is not required for USA Hockey officials registration.

**MINIMUM/MAXIMUM AGES**

USA Hockey has no minimum or maximum ages for officials. It is highly recommended that, regardless of level attained, officials not work games of their own age classification or higher. Generally, officials can successfully officiate as young as age 10. However, some individual states do have restrictive child labor laws that do not exempt amateur sport officials. It is the obligation of the parent who registers a minor to determine the specific labor laws in their respective state prior to registering with USA Hockey.

**NEW OFFICIALS (NEVER BEEN REGISTERED)**

All persons who have never officiated must register at Level 1 for the first season. The District Referee-in-Chief only, prior to registration, may make exceptions to this rule in extreme cases in which the applicant has extensive hockey officiating experience that would foster registration at Level 2. No first-time registered official may register above Level 2 for the first season.

**CLASSIFICATION REQUIREMENTS**

Level 1 Complete	Must make application Must attain an open book exam score of 35/50 Must attend and complete an officiating seminar administrated by USA Hockey
Level 2 Complete	Must make application Must have been Level 1 or higher (Complete) within the last two seasons Must attain an open book exam score of 85/100 Must attain a closed book exam score of 24/30 Must attend and complete an officiating seminar administrated by USA Hockey
Level 3 Complete	Must make application Must have been Level 2 or higher (Complete) last season Must attain an open book exam score of 90/100 Must attain a closed book exam score of 40/50. Must attend and complete an officiating seminar administrated by USA Hockey
Level 4 Complete	Must make application Must have been Level 3 or 4 (Complete) last season Must attain an open book exam score of 90/100 Must attain closed book exam score of 40/50 Must pass skating exam and attend / complete a level 4 specific USA Hockey seminar each season. Must arrange to have an evaluation completed, while officiating a high level game, by a trained USA Hockey Evaluator at least once during the current calendar year.

**NOTES**

"Complete" means that an official has met all the criteria (testing and seminars) at the level for which he/she has applied. "Incomplete" means that an official has filed an application and has not completed all the necessary criteria for attainment of that level.

A new official (not registered the previous year) may not officiate until he/she is "completely registered." A returning official ("complete" the previous season) may not officiate after November 30 (expiration date on previous year's card) unless he/she is "completely registered" for the new season.

**OPEN BOOK RULES EXAM**

Each season all officials must complete the open book rule's exam. Officials who do not receive the minimum score for the appropriate level, will be sent a retake notice and a new answer sheet. Only one Retake Exam per official is allowed and this retake must be completed within 30 days. In the event that an official fails the exam twice, he/she will become completely registered at the highest level for which the retake exam score would qualify (e.g., Level 1 =35/50 or 70/100, Level 2 =85, Level 3 =90, Level 4 =90).
