

Good Saturday NDAHA Affiliates. I hope everyone found their Christmas & New Year's holiday to be good.

Few things for you all at this time and I will keep this short and sweet and have a larger update for you all after the Winter meeting. Please pass along information to your members to keep them informed of things going on with NDAHA

Winter Meeting

- The 2023 NDAHA Winter Meeting is scheduled for Sunday February 5th, 2023 at the Eagles Club in Rugby, ND.
- I have attached the agenda for that meeting as well as the 2022 Fall Board of Director Meeting minutes that will be discussed and approved.
- A big portion of the Winter meeting is the State Tournament Seeding and Bracketing. We will communicate to everyone the decisions that are made in this regard on the outcome probably a day or two after the meetings.

Affiliate Board's ~ Board Member requirements

- USAH has been preaching to all of you state affiliates for quite some time now to ensure that each affiliate and their affiliates Board of Directors are registered with USAH, Background checked and Safesport certified. NDAHA has relayed those wishes from USAH down to you now for roughly 2 years.
- We don't know who initiated the conversation with us in USAH, Safesport or if it was a combination of both, but it was requested by us to audit one of our affiliates. After that audit was completed, it was found that only 1 of the 9 board members actually had all 3 completed.
- In an effort to ensure our affiliates are following this protocol from USAH, there will be a proposal submitted which in short, will mean that each NDAHA Affiliates will be required to "roster" their board of directors each year just like we roster our teams. This will ensure that our affiliates are following this request year in and year out.

- I have attached a Calendar of Events for the rest of the Spring through June of 2023 with things going on
